

ATTENTION RESIDENTS!

WOULD YOU LIKE AN “EXTRA” \$67,000 A YEAR?

- The Air Force pays you an annual grant of \$45,000
- You are paid an additional \$1,907 per month stipend
- That is over \$67,000.00 added to your residency pay

You will have no military responsibilities during your residency. When you finish residency training, you will join our health care team—one of the best in the world.

- ❖ Step into a ready-made practice with no start up costs
- ❖ You will have no business concerns – no office lease, no payrolls to meet, no supply and equipment expenses
- ❖ No worries about malpractice insurance
- ❖ No insurance hassles or bill collection problems
- ❖ You provide the treatment your patients need, without concern for their ability to pay
- ❖ On-site referral to other specialties and ancillary services
- ❖ 30 days of vacation with pay
- ❖ Serve your country as an officer in the USAF Medical Corps

Give me a call to set your appointment.
